Have you been reviewing the training provided on the Plum.Systems LMS?

Yes, I check weekly for new lessons

Have you kept up to date with all the lessons?

Yes

Have you found these lessons to be helpful?

Yes

Please elaborate why you did not find these lessons helpful? So that we can improve them

What training would you really like to have on the Plum.System LMS?

I would like training on how to manage tasks and time better in PlumBOS. It would also help to learn how to use reports and track progress. If possible, I'd like to understand how PlumBOS works with other systems too.

Would you like a permanent job with Plum Systems?

Yes

Please justify why we should give you a permanent job with Plum Systems

I believe I should be given a permanent job with Plum Systems because I'm committed to learning and growing in my role. I know there are skills I can still improve on, and I truly appreciate the team's patience and support as I learn. I'm hardworking, reliable, and always willing to take on new challenges. I want to continue contributing to the company and becoming better every day.

Why are you not sure? Please explain

Are you prepared to commit to working for Plum for at least three years if given a permanent job?

Yes

Why not? Please justify your reason
